## **2024 Refund Policy**

It is the policy of Brawley Youth Football & Cheer (BYFC) to limit refunds, in order to preserve the financial stability of the program. Successful planning and operation are based on yearly budgets. Registration fees alone do not cover all of the expenses BYFC incurs during the course of the year. Although fundraising activities and donations also support the budget, neither are predictable forms of income. Therefore, allowing refunds without merit could be detrimental to the well-being of the program.

### **Standard Practices**

- The amount of a registration refund coincides with what was paid, regardless of the reason.

Paid late fees and NSF fees will not be included as part of any refund. All requests for refund must be submitted in writing and approved by the Board of Trustees. Requests if requested in writing, will only be considered for the following reasons:

- If a participant moves out of the community.
- If a participant has been selected to participate at the High School level.
- If a physical injury, or medical illness will prevent participation.

Refunds of 100% not requiring a written request will be granted for the following reasons:

- The program is not fielding all grade levels and a participant chooses not to “play up” to a higher grade.

### **NO refunds will be granted at any time for the following reasons:**

- Quitting for any reason after July 25<sup>th</sup>, 2024 of the current calendar year.
- In-season conduct or discipline issues resulting in expulsion from the BYF program.
- Failure to complete the necessary certification paperwork, and/or certify at the required weight limit.

- ☐ **100%** refund prior to June 15, 2024
- ☐ **75%** refund from June 15<sup>th</sup> - June 30<sup>th</sup>, 2024
- ☐ **50%** refund after June 30<sup>th</sup> - July 21<sup>st</sup>, 2024
- ☐ **0%** refund once the season has begun on July 22<sup>nd</sup>, 2024

*\*BYF reserves the right to modify the above refund percentages depending on the amount the parent has paid to date vs. the amount the program has paid to date.*

*If a player is injured during the month of July or August and is unable to participate for the rest of the season, a refund request will be reviewed and determined on a case by case basis.*
