

## COACHING AGREEMENT

I agree to abide by the Roar Sports Code of Conduct put forth by the organization regarding all players' and coaches' conduct.

I understand that this is a volunteer-run, non-profit organization. To make this work, the head or assistant coach will agree to stay and officiate the game immediately following. If I play the last game of the day, I understand that either the head or assistant coach will stay and help clean up.

I understand there is a "2 qtr. Substitution" rule in place. This rule is to ensure adequate playing time for all players. Every player will play at least 2 quarters per game. I understand that I am expected to make my best effort to comply within reason.

I understand that video on demand (VOD) is provided to benefit the players and families. Its goal is to add to the experience and allow family members to further enjoy their players' games. I will not attempt to use the VOD as a tool to level accusations towards Roar Sports officiating. I understand that doing so will result in a loss of my video access privileges without further warnings.

I understand that Roar Sports is a religious, 501(c)3 non-profit organization whose purpose is to use the universal language of sports to reach youth and adults alike with the Gospel of Jesus Christ.

I understand that while I may not share the same convictions or personal values as dictated by the Roar Sports Statement of Faith that Roar Sports as an organization holds to either in part or in whole, I agree to not teach, endorse, or influence youth in the program with ideas, morals, etc. that contradict or disagree with the Roar Sports Statement of Faith.
